

PRAYER FOR FINANCES

Father, I come to You now in the name of Your Son, Jesus Christ, and I pray for my finances. I pray Lord that You give me a right heart towards money. Help me to not love money, but to use it as a tool to meet my needs and the needs of others. Lord, help me to be a good steward over the money that You give me. Help me to spend my money wisely. Help me to not waste my money. Lord, help me to save what I need to save and give me a heart that gives generously and cheerfully to those in need. I ask You Lord to help me not lack any good thing in my life, and help me to increase my finances according to Your will for me. Father I thank you that You promised me in Your word that, You would meet all my needs according to Your glorious riches in Christ Jesus. I love You Lord and my trust is in Your promises. Thank you Lord for loving me and providing for me. In Jesus Christ name I pray. Amen.
