

PRAYER OF PROTECTION

Father, I come to You now in the name of Jesus and I ask for Your protection for (_____) and myself. Lord thank you that we do not have to fear anything because You are with us. Thank you Lord that we do not have to be shaken because You are our God. Thank you Lord that You strengthen us, help us, and uphold us with Your righteous right hand. Lord, you said in Your word that if we dwell in Your presence we shall abide under Your shadow and have You as our refuge and fortress. Father I pray that as Your children that we choose every day to stay close to You, knowing that we have a place of refuge and safety in Your presence. Thank you Lord for our angels, and we release them today to encamp around (_____) and myself and protect us from any harm. Father I thank you that no weapon formed against (_____) and myself shall prosper and thank you for protecting us from accidents, from enemies, from sickness, and any other plans of the enemy. Thank you for covering us with the precious blood of Jesus. In Jesus name I pray. Amen.
