

PRAYER FOR HEALING

Heavenly Father, I come to You now to pray for healing in my body. Father, I know that because of what Your Son, Jesus Christ, has done for me on the Cross, that the Blood that He shed for me has made healing available to me. Father my faith is in what Christ has already done and I thank you Lord that according to Your Word; Christ was pierced for my transgressions, He was crushed for my iniquities, and the punishment that brought me peace was on Him and by His wounds, I am healed. Father, I rest in that. I thank you Lord for my healing. I thank you that my body is operating in the total perfection You have created it to operate in. Thank you for restoring my health and I pray that every part of my body, from the top of my head to the soles of my feet, works properly. So, I can live an abundant life and do Your will. Thank you Lord for Your healing in Jesus Christ name I pray. Amen.
