

PRAYER TO OVERCOME ANGER

Heavenly Father, I ask you to help me with my anger. I choose to stay out of anger and not give the devil a foothold in my life. Father, I ask you to forgive me for my past episodes of anger. I repent and choose to turn away from this sin. Thank you for the forgiveness I have through your Son, Jesus Christ. I know that because I have put my faith in Christ that your Holy Spirit lives within me. Lord help me to let the Fruit of Your Holy Spirit reign in my life. Help me to be full of your love, joy, peace, patience, gentleness, goodness, kindness, faithfulness, and self-control. Help me to never let anger control me again, but as your Word says help me to be quick to hear, slow to speak, and slow to anger so I can produce Your righteousness in my life. In Jesus name, I pray. Amen.
