

PRAYER FOR CHILDREN

Father, I come to You now to pray for my children.
Lord, I thank you for my children. You said that children are a gift from You... thank you for my gifts.
Lord I pray that my children have an obedient spirit and they choose to obey and honor their mother and father, and ultimately choose to obey You in everything. I pray that my children will walk in the truth of Your word all the days of their life. Lord, help my children to know You and have a close relationship with You. I pray Lord that me children will serve You with love, boldness, and endurance and never serve sin. Father guide my children and keep them on the straight path and help them to become the person You have called them to be. Lord, Help them to understand their purpose and fulfill Your will for them. As you promised in your word, I pray You bless my children and make them the best at what they do, because I belong to You. Father I pray that You protect my children and let no harm , danger, or sickness come near them. Thank you Lord for loving them, protecting them, and blessing them. In Jesus name I pray. Amen.
