

PRAYER FOR A BROKEN HEART

Heavenly Father, I come to You now because I feel like my heart is broken. Father, You said that You are close to the brokenhearted and You save those whose spirit is crushed. You said that You would heal me and bind up my wounds. Father, I trust your Word and I ask You to heal me from this broken heart. Remove the hurt and restore my heart with Your joy. Thank you Father for being my refuge and strength and being an ever-present help in times of trouble. Thank you for the love and comfort that comes from only You. Shower me with Your love and Your comfort. I trust You Lord and I know even this situation will work for my good; because You love me. Thank you for loving me. In Jesus Christ, name I pray. Amen
